The Harmony of Tad Si-the Traditional Thai Medicine (2.0 hours)

EGP 2,200

An ancient Thai therapy based on the Buddhist teaching that the human body is composed of Tad Si or four elements of earth, water, wind and fire. Traditional Thai medicine also believes that diseases are caused by two main reasons: first, an imbalance of the four elements in the body, and second that the mind is governed by 'ego' and ego leads to unhealthy emotions of attachment, aggression and obscuration that can disturb the body harmony.

The Harmony of Tad Si combines a Thai herbal compress dipped into aromatic oil tailored to each guest's body element, with Thai Massage, incorporating pressure point and stretching techniques to relax muscles, relieve soreness, promote circulation and stimulate the nerve meridians of the body.
